Romblon State University	Odiongan, Romblon
Bachelor of Science, Information Technology	2023 – 2024
<i>Completed 1st year studies before transferring</i>	
<i>Leadership Award Recipient (Civil Welfare Training Service)</i>	

WORK EXPERIENCE

CoffeeBay	Parañaque City, Metro Manila
<i>Part-time Barista</i>	June 2026 – Present
• Prepare and serve espresso-based beverages and teas with consistent quality and presentation. • Operate espresso machines and grinders while maintaining cleanliness and safety standards. • Deliver friendly, efficient customer service in a fast-paced café environment. • Assist with inventory management, restocking supplies, and monitoring product freshness.	

RELEVANT PROJECT

Library Management System | C#, SQL Server Management Studio
<https://github.com/wrencodes/library-management-system>

- Developed an admin interface to manage book inventory and student records through Add, Update, and Remove functionalities.
- Designed and managed a relational SQL Server database, creating tables and relationships to support efficient data storage and retrieval.
- Implemented book issuing and return features to record borrowing transactions and maintain accurate library records.
- Developed a borrowed books module to track students with active borrowed books.
- Integrated the application with SQL Server to perform database operations and ensure data consistency.
- Applied object-oriented programming principles to build a structured, maintainable, and user-friendly desktop application.

SKILLS

Programming Languages: Java, C#, C++, Javascript
Database: SQL Server Management Studio
Design & Prototyping: Figma, Canva
Microsoft Office: Word, Excel, Powerpoint
Video Editing: Adobe After Effects, Alight Motion, Capcut
Soft Skills: Problem Solving, Communicative, Detail-Oriented

EXTRACURRICULARS

The Harrow Publication

Odiongan, Romblon

Layout Artist

January 2024 – May 2024

- Designed and formatted publication materials including articles and features using layout principles and typography.
- Collaborated with writers, editors, and fellow creatives to ensure cohesive and visually engaging content.
- Managed deadlines and contributed to the timely release of publication issues.

Information Technology Student Organization

Odiongan, Romblon

Media Staff

August 2023 – May 2024

- Managed and published content on the organization's social media platforms.
- Captured and edited photos and videos for events, announcements, and promotional campaigns.
- Collaborated with officers members to develop engaging digital content.
- Assisted in promoting school activities to increase student participation and awareness.
